Report on NC Pandemic Recovery Office Operations and Activities

Overview of the Office

In May 2020, Governor Cooper established the NC Pandemic Recovery Office (NCPRO) to oversee and coordinate the fiscal response to the COVID-19 pandemic. NCPRO is responsible for overseeing the distribution of the \$3.6 billion in Coronavirus Relief Funds (CRF) from the U.S. Treasury to provide support to state agencies, local governments, nonprofits, hospitals, educational institutions, and research organizations. NCPRO established a system for distributing, tracking, auditing, and providing guidance to more than 2,000 recipients of the funds provided by CRF.

In addition to CRF, NCPRO is responsible for the oversight, administration, and federal reporting for seven additional COVID-19 recovery programs: (1) the Governors Emergency Education Relief (GEER) program, (2) Emergency Rental Assistance (ERA), (3) Homeowners Assistance Fund (HAF), (4) Economic Development Administration Tourism Grant Funds, (5) Economic Development Administration Strategy Funds, (6) Capital Projects Fund, and (7) American Rescue Plan Act State Fiscal Recovery Funds (SFRF). NCPRO is responsible for providing technical guidance and support to all county and municipal governments that received funds from the American Rescue Plan Act Local Fiscal Recovery Funds (LFRF), and funds for the 525 municipalities that are flowing through the State.

North Carolina received \$222.7 million in GEER funds from the CARES Act and CRSSA Act, which come to the State from the U.S. Department of Education. The Governor is responsible for awarding funds to education entities under GEER I and GEER II programs (totaling \$137.8 million); federal law allocates the remaining \$84.8 million to the Emergency Assistance for Non-public Schools program, which is administered by NCDPI, with NCPRO providing oversight and federal reporting. GEER funds must be expended by December 31, 2023 (GEER 1 by December 2022 and GEER 2 by December 2023). Reporting and oversight activities are required through first quarter of 2024, and federal audits of GEER funds will continue through the end of 2025.

The Emergency Rental Assistance (ERA) program assists households that are unable to pay rent and utilities due to the COVID-19 pandemic with \$979 million in federal funds awarded to the State of North Carolina through the Consolidated Appropriations Act of 2021 and the American Rescue Plan Act (ARPA). The U.S. Treasury allocated an additional \$280 million directly to 18 local governments, and \$24.4 million was provided to five tribal governments in North Carolina for the ERA Program. NCPRO is responsible for the oversight, administration, and federal reporting for the state's allocation of the ERA funds. Additionally, NCPRO is working with the local and tribal governments to coordinate programs and is providing technical assistance where needed.

North Carolina received \$273.3 million for the Housing Assistance Fund (HAF) through ARPA to provide financial assistance to homeowners experiencing hardship due to the COVID-19 pandemic. Funds from this program may be used to prevent homeowner delinquencies, defaults, foreclosures, and other homeowner-related expenses. NCPRO is responsible for the oversight, administration, and federal reporting for the state's allocation of HAF funds.

The State of North Carolina received \$5.4 billion in American Rescue Act State Fiscal Recovery Funds (SFRF), and local governments in North Carolina directly received \$2.7 billion in Local Fiscal Recovery Funds (LFRF). North Carolina received the remaining \$352,692,103.50 of the \$705 million to distribute to

520 municipalities in accordance with U.S. Treasury rules and guidance after distributing \$342,638,945.92 of the LFRF to 521 of the 525 municipalities in 2021. In addition, NCPRO hosted webinars in collaboration with the Local Pandemic Recovery Stakeholder Group — to provide guidance to local governments regarding the use of ARPA funds. NCPRO also participated on several panel discussions with the UNC School of Government (SOG) “Basics of ARPA” course for local governments during the month of October 2021. NCPRO is partnering with the SOG to host learning communities to discuss the federal and state requirements since March 2022. We are also partnering with the NC League of Municipalities and the NC Regional Council of Governments to host four (4) ARP Expert Tours, located in Hickory, Greensboro, Rocky Mount, and Wallace NC, during the months September and October. We continue to host bi-weekly Interagency meetings for our state agencies and monthly meetings with the Local Pandemic Recovery Stakeholder Group to discuss federal and state requirements. We partnered with Management Concepts to host a two-day training for over sixty (60) state agency representatives, titled “Monitoring Federal Grants for Pass-Through Entities”. Lastly, during November 2022, NCPRO contracted with Deloitte Development, LLC to develop performance measures framework, create a technical assistance toolkit to support administering agencies, and develop dashboards to support the tracking of ARPA funding, project performance and outcomes.

Staffing, Funding and Responsibilities of NC Pandemic Recovery Office

The North Carolina Pandemic Recovery Office is organizationally located in the Office of State Budget and Management. The office hired its first staff in May 2020 and added most staff within the first three months of operation to complete its primary duties:

- Develop the systems, processes, and procedures to efficiently disburse the federal recovery dollars as appropriated,
- Disburse federal funds in a timely manner to assist recipients in responding to the pandemic,
- Monitor changing US Treasury guidance,
- Provide technical assistance to recipients and assist in program development design,
- Meet federal and state reporting requirements,
- Identify the impacts of the COVID-19 pandemic on North Carolina’s people, communities, and businesses,
- Address gaps in recovery funding for underserved people, places, and businesses, and
- Audit the recipients of federal dollars to ensure compliance with federal and state laws.

All the positions within the office are time-limited, temporary, or contract-based (i.e., employees who have been temporarily reassigned from state agencies). Because the office was established in May 2020, it has operated remotely from its inception, and it continues to operate in a hybrid remote and in-person environment in accordance with guidance from DHHS and OSHR.

Additional positions have been added as noted in table 1 as NCPRO has been tasked with administering additional federal funds, and auditing and federal reporting requirements have increased in frequency and volume.

Activities of NC Pandemic Recovery Office During the 2020 Calendar Year

During the 2020 calendar year, NCPRO was focused on administration, oversight, disbursement, and reporting for the state’s \$3.6 billion in Coronavirus Relief Funds (CRF), as well as identifying the impacts of the pandemic on North Carolina’s people, communities, and businesses. The first round of the Governor’s Emergency Education Relief Fund (GEER) was included in the CARES Act, and NCPRO was involved in determining how to best allocate those funds and in developing oversight, administration, and reporting functions for the GEER program. Because the CRF dollars were set to expire on December 30, 2020, NCPRO also worked with CRF recipients to reallocate funds to make sure they were used before the deadline. When President Trump signed the Consolidated Appropriations Act into law on December 27, 2020, which extended the CRF expenditure deadline, NCPRO shifted its focus to making sure CRF recipients understood the new deadline and guidance from the U.S. Treasury. In addition, the Consolidated Appropriations Act included funds for the Emergency Rental Assistance (ERA) program.

Activities of NC Pandemic Recovery Office During the 2021 Calendar Year

During the 2021 calendar year, NCPRO was focused on learning the federal requirements of the American Rescue Plan Act (ARPA) and the funds that were provided to states and local governments for pandemic recovery – State Fiscal Recovery Funds, Local Fiscal Recovery Funds, additional Emergency Rental Assistance Funds, Homeowners Assistance Funds, Capital Projects Funds, Economic Development Administration Tourism and Strategy funds, and State Small Business Credit Initiative funds (managed by NC Department of Commerce). NCPRO improved grants management, reporting, and data management functions and processes to better manage these additional funds and to support local governments and state agency partners. Lastly, NCPRO worked to get state agencies and subrecipients to use the rest of their Coronavirus Relief Funds for the December 31, 2021 expenditure deadline. NCPRO also worked to distribute the first tranche of Local Fiscal Recovery Funds to the 525 local governments that US Treasury designated as Non-Entitlement Units of Government (NEUs). NCPRO and our partners – UNC School of Government, the Councils of Government, the NC League of Municipalities, and the NC Association of County Commissioners – provided extensive assistance and guidance to local governments so that they could receive and use these funds. NCPRO also completed reporting requirements for federal funds and worked to set up MOUs and grant agreements for the new funds the state received.

Activities of NC Pandemic Recovery Office During the 2022 Calendar Year

American Rescue Plan Act (ARPA) Coronavirus State and Local Fiscal Recovery Funds (SFRF & LFRF):

- Provided continual analysis of evolving SFRF reporting and compliance guidance issued by the US Treasury and analyzed federal and state statutory provisions for their applications to SFRF projects, and ongoing intensive implementation and project-specific technical assistance for SFRF projects to agencies, partners, subrecipients, and other stakeholder groups on the appropriations and eligible uses of SFRF.
- Disbursed the second tranche of Local Fiscal Recovery Funds to local governments totaling \$343,200,465.07.
- Finalized development and implemented PANGRAM, the software system North Carolina Pandemic Recovery Office now uses to manage pandemic recovery grants.
- For state and non-state entities receiving State Fiscal Recovery Funds, NCPRO developed and refined internal procedures for contracting, prepared Memorandums of Understanding, executed 169 grant agreements, and disbursed \$1,339,337,954.08 in State Fiscal Recovery Funds to 78 state and non-state entities.
- In partnership with NCPRO and the NC Association of Regional Councils of Government, The NC League of Municipalities launched the American Rescue Plan Expert Tour in Sept. of 2022 to provide in-person guidance and expertise to over 500 ARPA grant recipients across the state. Alongside leaders from other state, local, and academic organizations, NCPRO staff hosted help desks, presented case studies, and served on expert panels.
- Partnered with Deloitte Consulting to develop a performance measures framework, create a technical assistance toolkit, and build templates and internal and external dashboards to facilitate the tracking of ARPA funding, project performance, and project outcomes.
- Hosted two Subrecipient Monitoring Training sessions for over 60 state agency representatives.

Homeowner's Assistance Funds (HAF) and Emergency Rental Assistance (ERA)

- Disbursed \$33.6 million to the NC Housing Finance Agency (HFA) and continued to provide technical assistance and support to the HFA during implementation of the statewide Homeowner Assistance Fund program.
- Disbursed Emergency Rental Assistance I funds to county ERA Programs and Emergency Rental Assistance II funds to the State ERA (HOPE) Program and four county ERA Programs.
- Began working with internal work groups, the State ERA (HOPE) Program, and county ERA Programs on close-out of the ERA I Program.
- Worked on incorporating new data and information in response to US Treasury's revised reporting and close-out guidance for ERA 1.

Coronavirus Relief Funds (CRF)

- Provided intensive guidance to CRF recipients including hospitals, nonprofits, and counties regarding outstanding balances and project closeout processes, successfully closing 70 CRF projects.
- Disbursed \$178,576,742.20 in Coronavirus Relief Funds as reallocations according to NC session laws in 2022.
- Maintained close-out tracking system for Coronavirus Relief Funds recipients to aid close-out, recoupment, and reallocation of Coronavirus Relief Funds

- Submitted final reports on CRF Funds to both the NC General Assembly and the US Treasury, officially marking the closeout of all \$3.6 billion in Coronavirus Relief Funding for NC.

Governor’s Emergency Education Relief and Emergency Assistance for Nonpublic Schools (GEER & EANS):

- Supported the Governor's office and the Office of State Budget and Management with Governor’s Emergency Education Relief program planning.
- Continued to provide technical assistance and monitor the progress of agencies implementing the Governor’s Emergency Education Relief / Emergency Assistance for Nonpublic Schools, and Emergency Rental Assistance Programs.
- Prepared and submitted the Annual Performance Report to U.S. Department of Education on Governor’s Emergency Education Relief I and Governor’s Emergency Education Relief II funds.
- Disbursed Governor’s Emergency Education Relief I (GEER I) funds totaling \$39,477,904.75 to four (4) sub-recipients including the UNC System Office, the NC Community College System, the NC Department of Public Instruction, and the NC Department of Commerce; Disbursed Governor’s Emergency Education Relief II (GEER II) funds totaling \$5,781,567.84 to six (6) sub-recipients including the UNC System Office, the NC Community College System, Communities in Schools of NC, NC Education Corps, the NC Department of Natural and Cultural Resources - State Libraries, and NC Business Committee for Education.

Audit-related activities, functions, and assignments to ensure compliance of federal relief funds:

- Monitored all federal funds to ensure compliance with applicable federal and state regulations, including Uniform Guidance and the Cash Management Improvement Act.
- Consulted as needed with Coronavirus Relief Funds state agencies and subrecipients on single audit compliance issues.
- Completed 4 CRF audits, the FY22 Annual Audit Report, and the final CRF audit report.
- Prepared and submitted the State Fiscal Recovery Funds Compliance Supplement to the North Carolina Treasurer
- Developed the FY23 Audit Plan

Transparent outreach strategy and data analytics:

- Maintained internal online dashboard to track the North Carolina Economy and its recovery efforts (developed in partnership with the North Carolina Government Data Analytics Center (GDAC) and SAS Institute)
- Continued regular meetings to work with the Local Government Pandemic Recovery Stakeholder group, sharing information about North Carolina’s pandemic recovery and learning about ongoing challenges facing various communities across the state, and held bi-weekly American Rescue Plan Act State Fiscal Recovery Fund Interagency meetings with State Agencies regarding recovery funding information, guidance, and processes.
- Developed, published, and continually updated data dashboards (on ncpro.nc.gov) tracking COVID-19 funding and economic recovery indicators - [COVID-19 Funding Dashboard | NCPRO](#)
- Developed new data tools to analyze flow of over \$11 billion in federal COVID-19 relief aid.
- Developed and launched North Carolina Community Pulse Survey to collect, analyze, and publish county- and regional- level data on the impacts of the pandemic and progress toward recovery.

- Produced 70 reports for the US Treasury and NC General Assembly as required by grant programs and legislation.
- Developed and published the Monthly Economic Update to track the economic recovery of North Carolina.
- Produced and published a PANGRAM External User Guide, North Carolina Community Engagement Survey Press Release, Spring 2022 Highlights E-Newsletter, Standard Operating Procedures, and the Monitoring Handbook for State Fiscal Recovery Funds on the NCPRO website.
- Maintained and expanded an interactive map on the NCPRO site representing geographic distribution of federal Covid relief and recovery funds allocated to NC.
- Continued publication of an external newsletter to provide updates related to NCPRO’s work with pandemic relief funding, recipients across the state, updates on the economic recovery of NC, ERA and other housing program updates, pandemic relief fund success stories across the state, current opportunities, and more.
- Launched a multimedia storytelling series in November 2022 to share the positive impacts of pandemic recovery funds through videos, photos, and web articles.
